### ABOUT ME

I'm a passionate web developer who transforms creative ideas into seamless digital experiences. With a strong foundation in React, JavaScript, and modern web technologies, I strive to craft elegant, responsive, and high-performance websites that leave a lasting impression.

### EXPERIENCE

**Frontend developer** Code Aristos 2024– 2025

**Location:** 5/ka, Bashundhara Main Gate, Baridhara, Dhaka

**Duration:** I have 1 year of professional experience as a frontend developer.

#### Roles & Responsibilities:

Developing and maintaining responsive web applications using modern frontend technologies. Collaborating with designers and backend developers to ensure seamless integration and user experience. resolving frontend issues to improve functionality and user interaction.

### PROJECTS

#### Doctors Care

A Doctor's Care app for dental checkups can streamline the appointment booking process, making it convenient for users to schedule and manage their dental visits.
